3. Amendment and Restatement of Section 10.03. Section 10.03 of the Original Indenture is amended and restated in its entirety as follows:

Section 10.03. Redemption of Notes In Whole.

(a) Optional Purchase of All Financed Eligible Loans. The Authority shall certify to and notify the Trustee in writing, within 15 days after the last Business Day of each Collection Period in which the then outstanding Pool Balance is 12% or less of the Initial Pool Balance, of the percentage that the then outstanding Pool Balance bears to the Initial Pool Balance. The Authority shall have the option to purchase all of the Financed Eligible Loans on the date that is the tenth (10th) Business Day preceding the Quarterly Distribution Date next succeeding the last day of the Collection Period on which the then outstanding Pool Balance is 10% or less of the Initial Pool Balance and on the tenth (10th) Business Day preceding each Quarterly Distribution Date thereafter (each, an “**Optional Purchase Date**”). To exercise the option described in this Section, the Authority shall deposit in the Collection Fund on the Optional Purchase Date, an amount equal to the aggregate Purchase Amount for the Financed Eligible Loans as of the last Business Day of the preceding Collection Period and the related rights with respect thereto, plus the appraised value of

any such other property held in the Trust Estate other than the Funds and Accounts, such value to be determined by an appraiser mutually agreed upon by the Authority and the Trustee; provided, however, that the Authority may not effect such purchase if such aggregate Purchase Amount and the appraised value of such other property do not equal or exceed the Minimum Purchase Amount, less any amounts on deposit in the Funds and Accounts.

(b) Redemption of Notes In Whole. The Authority will have the right to redeem the Notes in whole on a date within the Redemption Window set by the Authority which is no less than two (2) days following the Effective Date at a redemption price equal to **101.40%** of the outstanding principal amount thereof together with interest, if any, accrued thereon from the most recent Quarterly Distribution Date to the redemption date (the “**Redemption Price**”). The Redemption Price may be paid from any source of funds. On the redemption date, the Authority shall cause to be deposited with the Trustee an amount that, when combined with amounts on deposit in the Funds and Accounts held under this Indenture, will be sufficient to (i) pay the Redemption Price on the Notes on the redemption date; and (ii) pay any applicable Administration Fees, Servicing Fees, Carryover Servicing Fees and Trustee Fees (and any unpaid expenses of the Trustee) attributable to the Financed Eligible Loans or to the Notes.

(c) Notice of Redemption of Notes In Whole. If the Notes are to be redeemed in whole pursuant to clause (b) above, the Authority shall notify the Trustee in writing of the redemption date at least two (2) Business Days prior to the date notice of redemption must be sent to the Registered Owners (unless a shorter notice shall be satisfactory to the Trustee). The Trustee must give notice of such redemption to the Registered Owners at least five (5) days prior to the redemption date in the method required by the Securities Depository. Any notice given pursuant to this clause (c) shall be conclusively presumed to have been duly given, whether or not the Registered Owner receives such notice.

Any notice given pursuant to this clause (c) may state that it is a conditional notice and that the redemption may be (i) postponed if the Redemption Price is not available on the redemption date but is expected to be available on a subsequent date during the Redemption Window or (ii) cancelled if the Redemption Price is not provided for during the Redemption Window. The Authority shall notify the Trustee in writing of any postponement or cancellation as soon as the Authority determines that such postponement or cancellation will occur and the Trustee shall give notice to the Registered Owners as soon as practicable thereafter. If a redemption is postponed, the Notes will bear interest to the date of the postponed redemption. If a redemption is cancelled, the Notes will continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

(d) Payment of the Redemption Price. If notice of redemption is given as provided in clause (c) herein, and if due provision for the payment of the Redemption Price is made, then the Notes will automatically be deemed to have been redeemed and will not bear interest after the redemption date, nor will they be regarded as Outstanding except for the right of the Registered Owner thereof to receive the redemption price from the Trustee.

If redemption is not made within the Redemption Window, the Authority will have no further right to redeem the Notes pursuant to Section 10.03(b) of the Indenture and the Notes will continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

as one and the same instrument. This Supplemental Indenture shall be construed as having been authorized, executed and delivered pursuant to Section 8.02 of the Original Indenture.

5. Headings for Convenience Only. The descriptive headings in this Supplemental Indenture are inserted for convenience only and shall not control or affect the meaning or construction of any of the provisions hereof.
